

Mauao Operational Report June 2014

Purpose

1. To inform Nga Poutiriao o Mauao (Mauao Joint Administration Board) of operational matters from April 2014 to May 2014.

Executive Summary

2. Providing Nga Poutiri Ao o Mauao with the Mauao operational report for April 2014 and May 2014.

Recommendation

That the Nga Poutiri Ao o Mauao:

- (a) receive the Mauao operational report.

Discussion

3. Security was on the Summit of Mauao over the Easter weekend. The cross which has been put up over the last few years did not get put up this year. Security reported there was a lot of activity on the Summit on the Friday and Sunday night.
 4. Koiwi in slipAfter discussions with the Mauao Trust, the Chair of the Nga Poutiriao o Mauao and the Park Ranger collected the Koiwi from the slip shown
 5. Two large Pine branches have been removed from a Pine on the Pilot Bay side of Mauao. The hangers were spotted after a storm early May.
 6. There were numerous small slips around the Base track and on the upper tracks. Contractors removed these as part of their routine maintenance. A section of the track leading to the Stone Steps need some extra work to bring it back to a safe standard.
 7. Over the last 10 years Tauranga City Council has been able to record average visitor numbers visiting Mauao.
 8. A rabbit control programme is due to start. Contractors have ordered materials and once arrived will wait for the correct weather pattern. Signage will be in place to inform park users.
