We will be undertaking a poison program to tie in with this years planting. - The planting programme this year will primarily focus on infill - filling the gaps on existing re-vegetation sites. - The new Steering Group is working well. The Waitaha representative is Whare Rahiri August 2008 - Transit house are working well on Mauao. They are very cost effective way of reverting weed areas back into native vegetation. The area they have been working on has had 60+ Pohutukawa and 400 re-veg plants planted. All completed by volunteers. - The pin done poisoning program went well with a good reduction of rabbits. There will be regular night shoots to keep the numbers down. - Forest and Bird have provided volunteers to fill bait stations for rodents. I provided them with 30 traps and the bait. Excellent results so far.
