Meeting with TCC CEO, Mauao Trustee Chair and Ngati Ranginui CEO

A meeting was held with the TCC acting CEO, the unit , myself and the above. Re the earthworks monitoring procedure.

Helicopter operation

20th April a operation using a helicopter was unsuccessful in getting the concrete to be use for the foundations up to the Oruahine track. The weather conditions were unfavourable. The pilot made the call to stop operation. Ice constructions spent the rest of the day preparing to mix by hand and transport to site in their small track dumpers. This was completed by the 21st April.

Rural Fire Training

Attended a theory training session with all the Rangers in Rotorua. This completes the rural fire training stage 2 for the Rangers (apart from s 7(2)(f)(ii)).
