

Monthly Report

For month of July2007

Mauao

Weed Control

Mauao Care Group have had another working bee. Concentrating on weeds in the bush above the hot pools towards the main beach.

Water pipe line

4x4 track harbour side has been closed for up to 5 weeks . Slow progress as contractor is having a few problems.

6 Month stability rock check

Mauao rock check has been completed.

We had a rock fall after the check. Avalon will be in to give a report on the safety issues around the fall area.
