

Monthly Report

For month of September 2007

Mauao

Oruahine upgrade

Oruahine track upgrade has been completed. The track look great. Excellent feedback has been received.

Pilot Quay slip repairs

Slip repairs have started on Pilot Quay. Both slips are being worked on. These will be completed by mid December. Higgins are the contractor.

Weed Control

Pasture spraying has been completed, targeting Thistles. We have had another working bee

Water pipe line

Water pipe line contractors are nearly finished. Other maintenance is being completed on the reservoir.

Over hanging rock

Different opinion have come in from the contractors who were asked to price this project, on the stability of the rock. Seeking a third opinion.
